

3 New Summer Tech Gadgets

This summer don't let technology interfere with your vacation plans. There are three new products on the market that are sure to give you an edge, giving you more time to lounge on the beach, or sip cocktails by the pool!

GearPower 12k

The new GearPower 12k is the mobile charger you need for your busy life. Now you can charge your smartphone at the beach, and Dual Charging allows simultaneous charging of tablets and smartphones.

It has enough power to fully recharge devices such as the iPhone® 6 more than six times!
MSRP: \$99.95

TuneTap

Let party guests contribute/play music tracks with the TuneTap during Summer BBQs and pool parties, or annual holiday soirees.

MSRP: \$49.95

Play your favorite music and movie audio wirelessly from your Bluetooth-enabled smartphone or tablet on your home A/V receiver or stereo.

KeyShair Bluetooth Keyboard/ Mouse Interface

The accessible KeyShair Bluetooth Keyboard/Mouse Interface is ideal for multitasking professionals. **MSRP: \$49.95**

Share your computer's keyboard and mouse with your mobile device or tablet, with up to four Bluetooth enabled mobile devices for faster emailing, texting, etc.
