

# Reserve Your On-call Dining Concierge App

**H**ollywood celebrities are using it. Actors Jared Leto and Jon Favreau have invested in it. Reserve is the hottest new restaurant app, that offers a luxury reservation service for diners.

Whether you're new to a city, or just staying for a few nights on business, Reserve acts as your on-call dining concierge. With just a few taps, Reserve enables a seamless experience, from getting the table you want to paying effortlessly at the end of the meal so you can head to what's next.

Reserve has partnered with 200 of the country's best names in food and hospitality, including James Beard Award-winning chefs and Michelin-starred restaurants in New York City, Los Angeles, San Francisco, Boston and Chicago.

Reserve is the first company to come out of Expa, the startup studio led by the co-founders of Uber and Foursquare; and boasts many celebrity investors such as Will.i.am, and actors Jared Leto and Jon Favreau.

Reserve, one of the latest must-have dining concierge apps for elite travelers.
