

Summer Beauty Picks

Taking care of your skin is important all year long, but in the summer we need to pay extra attention. The heat of the sun, pool chlorine and other outdoor elements can take a toll on your everyday beauty routine. Here are some of Luxe Beat Magazine's favorite beauty and skincare products that will give you an extra boost this summer!

Miracle Eyes
(\$45.99, deveranaturals.com)

Give this age-defying eye cream one hour and it will reward you with superior hydration and fewer fine lines, thanks to Edelweiss plant stem cells, Goji Berry Extract, hyaluronic acid, and marine extracts which smooth and firm the delicate eye area, while green tea and cucumber reduce puffiness and dark circles.

Amarte Ultra Veil®
(\$45, AmarteSkinCare.com)

This is an incredibly light facial sunscreen that not only offers SPF 50+ protection, but is chockfull of antioxidants to ward off harmful (and aging) free radicals. Bonus – Amarte Ultra Veil is the first skin care product to also incorporate the meshima mushroom, a noted

anti-cancer agent into its ingredients.

Imagine Body Butter
(\$22, glowologyskincare.com)

Indulge in the luxury of beautifully soft and supple skin. Rich with natural vitamins and organic ingredients, the ultra-moisturizing formula hydrates skin for long-lasting results. Dermatologist-tested. This clean, fresh fragrance opens with crisp white cotton and ocean notes. The middle emerges with a floral burst of blue freesia and jasmine, accented with green pear. It finishes with a fusion of ocean, musk, sandalwood, vanilla and amber.

KYPRIS Beauty Elixir II: Healing Bouquet

(\$200, kyprisbeauty.com)
Flower Power for combination skin. Beauty Elixir II: Healing Bouquet is a 100% active formula replete with free radical-quenching CoQ10, collagen-inspiring Vitamin C ester, and a rainbow of phytonutrients,

essential fatty acids, and natural actives from select plant sources to continually calm, soothe, and inspire radiant, supple skin.

Photo-c Signature
(\$240, myphyto-c.u)

When it comes to anti-aging treatments, women want quick results, but not all women are willing to go the needle route to get them. The natural alternative to botox, Phyto-C's new Signature is a potent anti-aging cream that features IMPA™ Complex, which stimulates cell to cell interaction, assists in the formation of collagen and combats skin imperfections in just days. Applied twice daily, skin will appear more firm, radiant and youthful.

Sea Buckthorn Body Lotion
(\$15, seabuckwonders.com)

2013 Winner – Delicious Living's 2013 Beauty and Body Award With a potent infusion of Omega 3, 6, 9, and the powerful skin-healing Omega 7, SeabuckWonders Body Lotion provides nourishment with age-defying properties for soft, healthy skin.

Sugar&Butter Lip Exfoliator/Plumper
(\$25, janeiredale.com)

Soft, beautiful and oh-so-kissable lips are yours with our lip exfoliator/plumper duo.
