

GRACE O'MALLEY  
BLENDED  
IRISH WHISKEY

## ABOUT THE BLEND

Grace O'Malley® Blended Irish Whiskey is distilled at The Great Northern Distillery. It is in this center of Whiskey excellence that Grace O'Malley's Master Blender, Paul Caris, together with Master Distillers of The Great Northern Distillery bring the magic to Grace O'Malley Whiskey from distilling to blending and cask management. Our special blend combines Whiskeys with age statements that range from three to ten years old. Each batch of Whiskey is then matured in a range of barrels, including French oak, Bourbon, and Rum casks. Caris selects the casks to accentuate each Whiskey's unique profile. The resulting blend delivers a Whiskey perfectly balanced between flavor, age character, complexity and smoothness.

## TASTING NOTES

**PALATE** SMOOTH AND WELL BALANCED WITH ROUND TANNINS AND FRUIT OVERTONES

## PAUL CARIS, MASTER BLENDER

“Our superior blend contains high proportions of malt Whiskey. Additionally, we have chosen to use double-distilled and triple-distilled Whiskey. Double-distilled Whiskey brings the flavor intensity to our blend while the triple-distilled brings finesse, complexity and smoothness.”
